Portland Harbor FS Section 3 REV1 2015-05-15\_markup.docx

In preparation for the Wednesday meeting in Seattle with the PH Team, I am recommending that OSRTI have a short call amongst ourselves to determine if and what issues are still significant to us in Section 3. The plan on Wed. is to go through the document and I'm not sure that those folks not traveling will want to go through the entire document on the phone. So it would be helpful if you could go through the text of Section 3 and see if what outstanding issues or new issues there are. Given
